PROFESSIONAL SUMMARY

Undergraduate BICT (Hons) student at the University of Vavuniya and an aspiring UI/UX designer with a strong interest in software development. Building skills in translating user needs into clean, intuitive interfaces, and comfortable across the front-end and back-end of a build. Actively involved in tech and community initiatives, with hands-on experience from academic projects, hackathons, and self-directed learning.

EDUCATION

Bachelor of Information & Communication Technology (BICT), Honours — University of Vavuniya, Sri Lanka 2023 - 2028

- Overall GPA: 3.7
- Participated in UI/UX-focused hackathons and design challenges
- Relevant coursework: Programming Fundamentals (Java, Python, C++, JavaScript), Web Development Technologies, UI/UX Design Principles, Database Management Systems, Human-Computer Interaction (HCI)

TECHNICAL SKILLS

Languages: Java, C++, C#, Python, JavaScript, HTML5, CSS3

Design: Figma, UI/UX Design, Wireframing, Prototyping

Databases & Tools: MySQL, Git & GitHub, VS Code, MS Office

Currently Learning: Advanced UI/UX Design, Full-Stack Web Development, Data Structures & Algorithms

Soft Skills: Problem Solving, Team Collaboration, Communication, Time Management, Adaptability

PROJECTS

Anime Streaming Website UI — Figma / HTML / CSS

- Designed a responsive, visually engaging website UI for browsing and watching anime with a modern layout.

Secret Garden — Flower Shop — Group Project

- Contributed to a group e-commerce project by designing and developing the product page for browsing and purchasing flowers.

Admin Dashboard UI — Figma

- Designed a user-friendly admin dashboard with organized layouts and intuitive data components.

Food Delivery Website — Figma

- Concept website design for browsing and ordering food, focused on clean, user-centered UI/UX.

Mind Mithra — Mobile App — Figma

- Mobile app UI/UX design centered on mental wellness and user support.

EXPERIENCE & ACTIVITIES

Director of Events — ZeroPlastic Vavuniya Community

- Led planning and coordination of environmental sustainability events, overseeing logistics, team coordination, and outreach.
- Organized awareness programs and led community events.

Active Volunteer — IEEE Community

- Contributed to organization and execution of IEEE tech-based initiatives, workshops, and events.

CERTIFICATIONS

- Learn JavaScript (9-hour course) — Scrimba

- [Data Structures and Algorithms — Scrimba](#)
- [Command Line Basics — Scrimba](#)
- [Learn Git and GitHub — Scrimba](#)
- [Intro to NestJS — Scrimba](#)
- [Intro to UI Design Fundamentals — Scrimba](#)
- [Python for Beginners — University of Moratuwa \(CODL\)](#)
